

BREAKING THE EVIL HORN

DEBORAH MACFOY AKACHUKWU Ph.D

DEALING WITH THE EVIL HORNS

Physically HORN is a hard, pointed, often curved part that grows from the top of the head of some animals, or the hard substance of which a horn is made. The animals use it as protection, defense and attack. Likewise, the evil horn of the wicked spiritually attack and scatter people's life and destiny.

Zechariah 1:18-19 (NKJV) says "Then I raised my eyes and looked, and there were four horns. And I said to the angel who talked with me, "What are these?" So he answered me, "These are the horns that have scattered Judah, Israel, and Jerusalem."

You therefore need to pray your way out of disaster. These evil horns have aggressively overpowered and killed multitudes. Today, you must rise in holy anger and aggression to destroy, scatter and uproot the evil horns of the wicked in your life, family and destiny.

Stand therefore, having girded your waist with truth, having put on the breastplate of righteousness, and having shod your feet with the preparation of the gospel of peace; above all, taking the shield of faith with which you will be able to quench all the fiery darts of the wicked one.
